

OPTION B: Proposed Vetter Challenge Ride for Saturday, July 8, 2017:

Ride Plan Revision 5/15/17

Summary: 182 Mile Ride including Scenic Country, City, and Highway Riding

Features: Stops at Splash Harbor, Mohican State Park, Centerburg Park, AMA Motorcycle Museum, Mid-Ohio Raceway.

Leg Distances:

Leg 1: 53 Miles (53 scenic country with twisting roads up to Mohican)

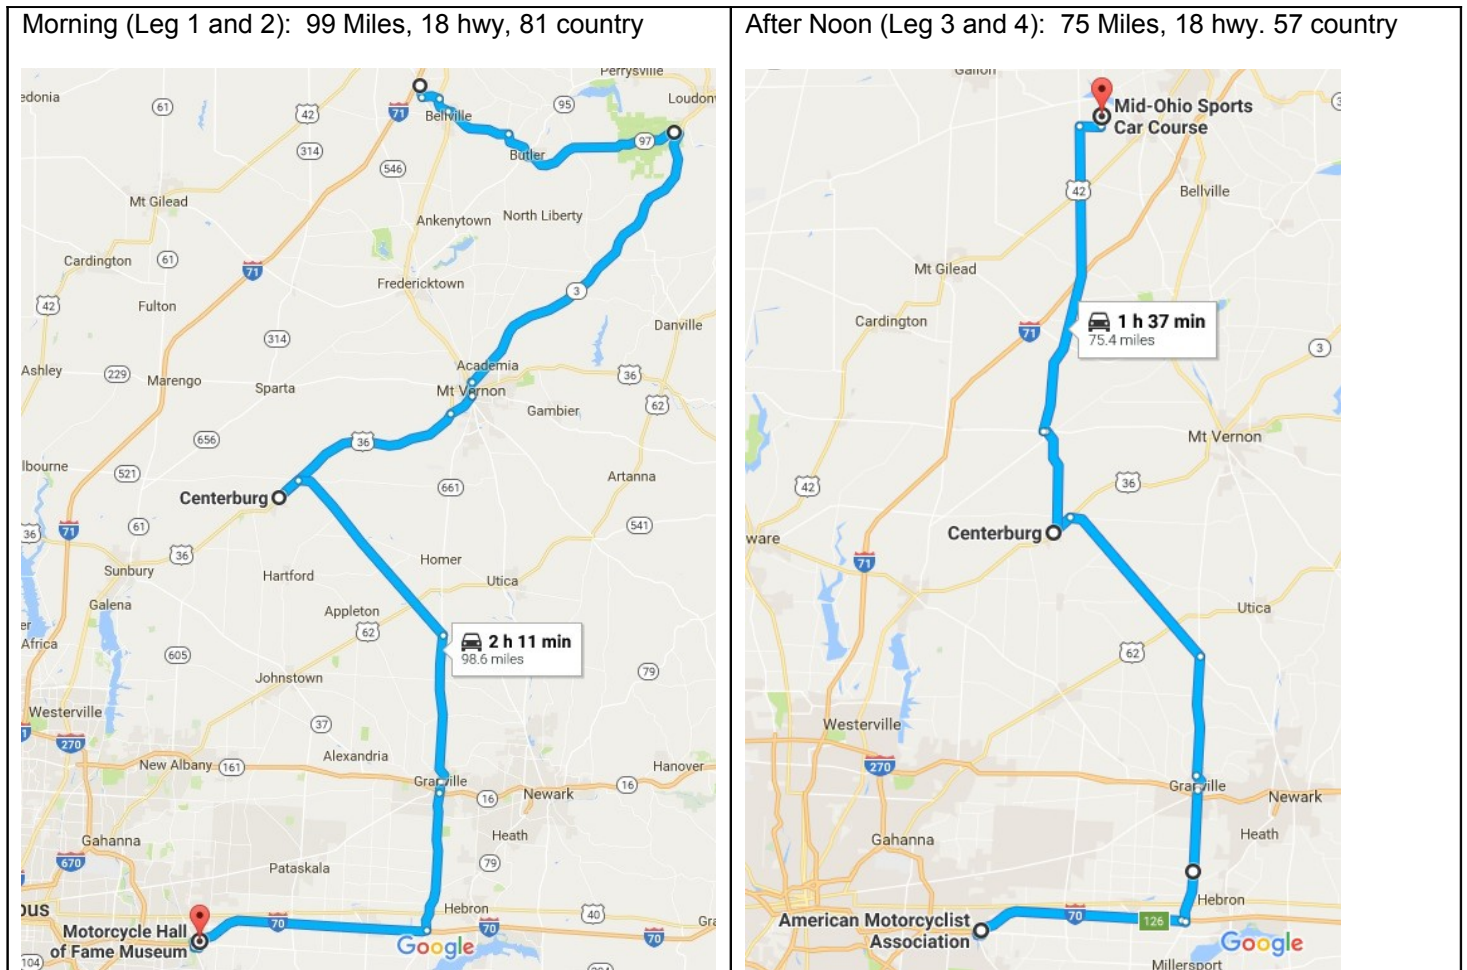

Leg 2: 46 Miles (28 country, 18 Highway)

Leg 3: 46 Miles (28 country, 18 Highway)

Leg 4: 29 miles (29 country, 0 Highway)

+Staging Leg: 8 Miles (country and city)

Total: 182 Miles (138 miles country + 36 miles Highway + 8 Miles City)

Note: Staging Leg allows same route for Gas and Electric Riders. Racetrack to Splash Harbor distance is only distance ridden separately (electrics ride it in the morning, liquid fuel bikes ride it in the afternoon).

Starting point/Finishing Points Splash Harbor (for Liquid Fuel) AND Racetrack (Electric). This offers the best refueling locations for liquid AND electric.

OPTION B: Proposed Vetter Challenge Ride for Saturday, July 8, 2017:

Ride Plan Revision 5/15/17

Ride Breakdown:

Morning Splash Harbor Staging:

Electric Riders start ride from Racetrack and ride to Splash Harbor to Start ride with the Liquid Fuel Bikes (8 Miles). This is what electrics have done every year we "haven't started at the track".

Distance: 8 Miles (country and city)

Riding Time: 7:00-7:30am

Top off Charging at Hotel (110VAC x 4outlets)

Liquid Fuel bikes top off at Adjacent Gas Stations

Leg 1: Ride from Splash Harbor to Centerberg Park via Mohican State Park and Mt Vernon

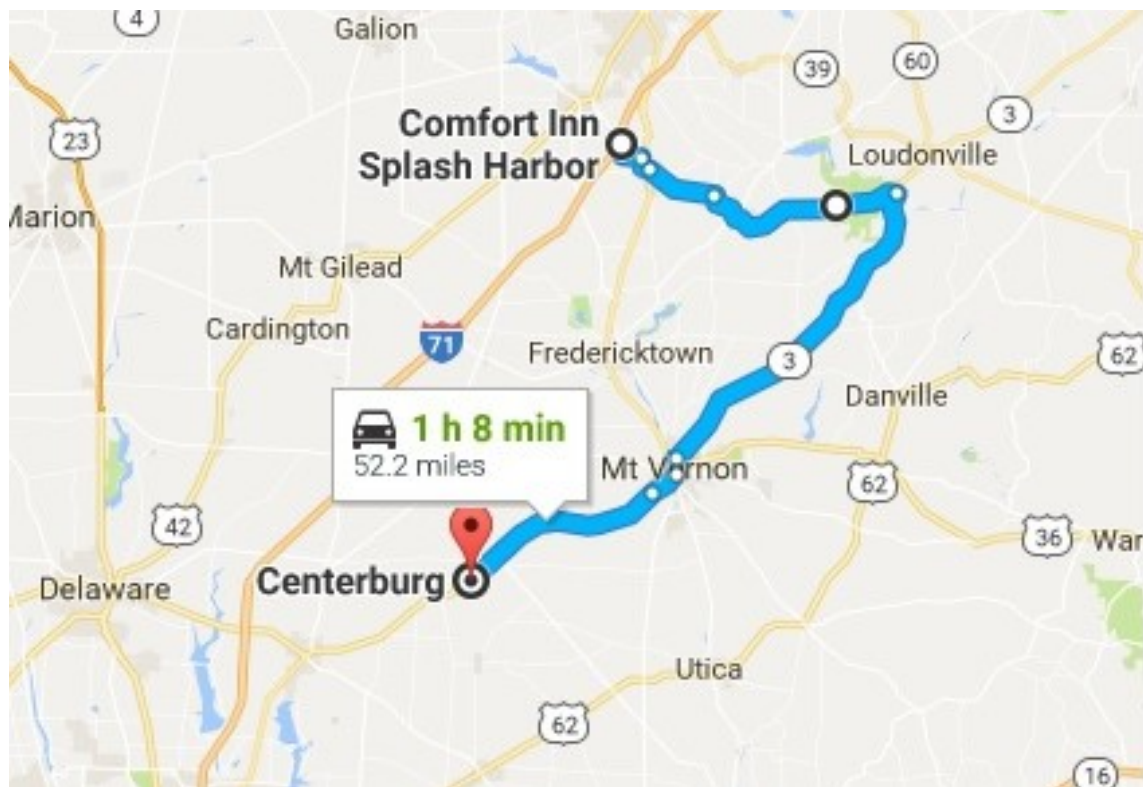

Distance: 53 Miles (53 scenic country with twisting roads up to Mohican)

Riding Time: 8:30-10:15am

Time at Destination: 10:15-11:00am

Total Time: 8:30-11:00am

Activities at Destination: 45 Minute Break at Centerberg Park, Bike Pictures, Video Interviews with each rider, Bathroom, Fellowship, Electric Charging (NEMA 14-50 Outlets x 10)

OPTION B: Proposed Vetter Challenge Ride for Saturday, July 8, 2017:

Ride Plan Revision 5/15/17

Leg 2: Ride from Centerberg Park to AMA Museum

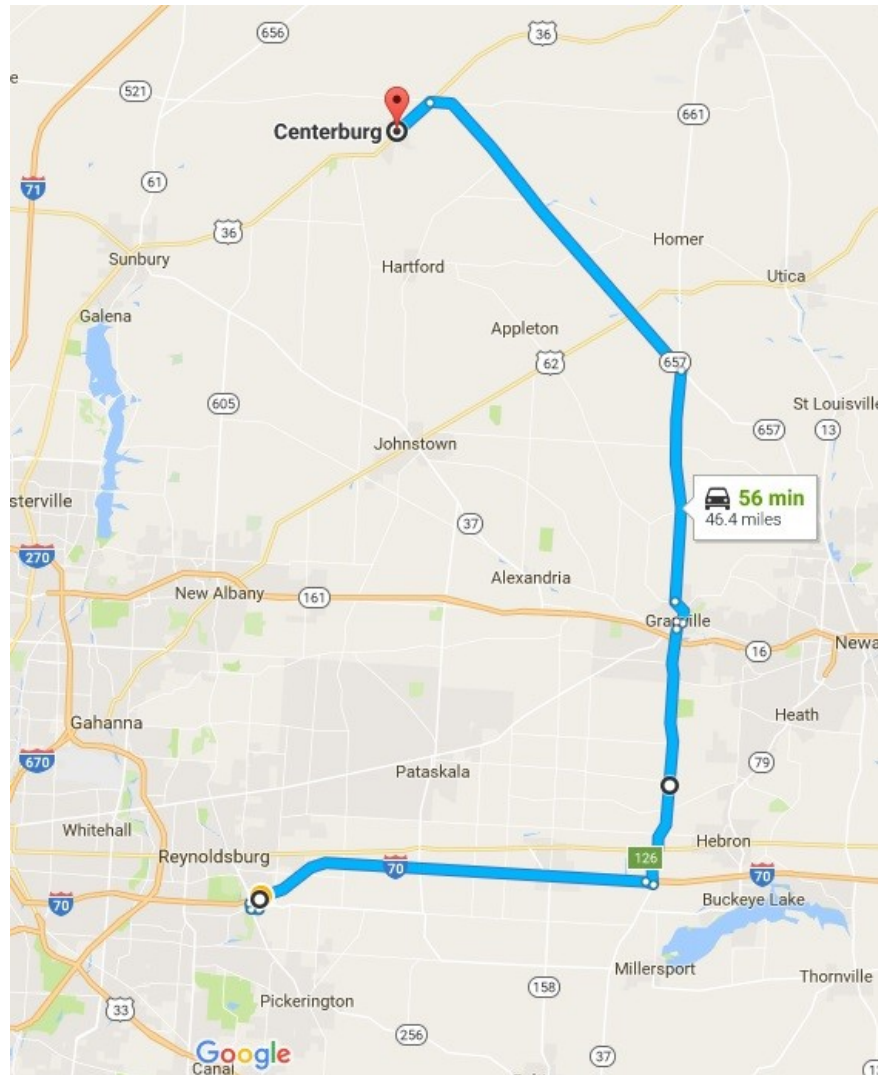

Distance: 46 Miles (28 country, 18 Highway)

Riding Time: 11:00am – 12:00 noon

Time at Destination: 12:00-1:30pm

Total Leg: 11:00am - 1:30pm

Activities at Destination: 1.5 Hours at AMA Museum including Lunch, Museum Tours, Electric Charging ((NEMA 14-50 Outlets x 1, 110VAC x 4), Fellowship, Group Pictures with Craig Vetter

OPTION B: Proposed Vetter Challenge Ride for Saturday, July 8, 2017:
Ride Plan Revision 5/15/17

Leg 3: Ride from AMA Museum to Centerburg Park

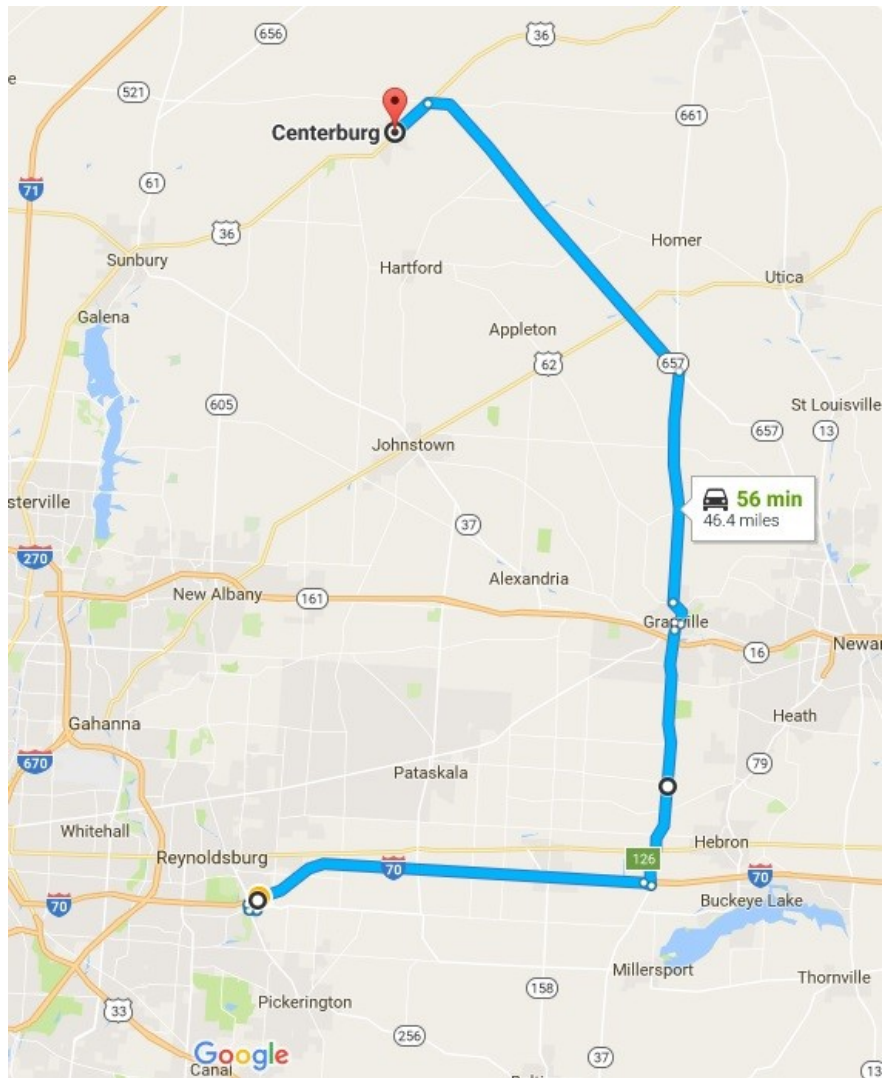

Distance: 46 Miles (28 country, 18 Highway)

Riding Time: 1:30pm-2:30pm

Time at Destination: 2:30-3:30pm

Total Leg: 1:30pm-3:30pm

Activities at Destination: 1 Hour at Centerburg park doing grocery bag check and charging.

OPTION B: Proposed Vetter Challenge Ride for Saturday, July 8, 2017:

Ride Plan Revision 5/15/17

Leg 4: Ride from Centerburg park to Mid-Ohio Raceway

Distance: 29 miles (all scenic country)

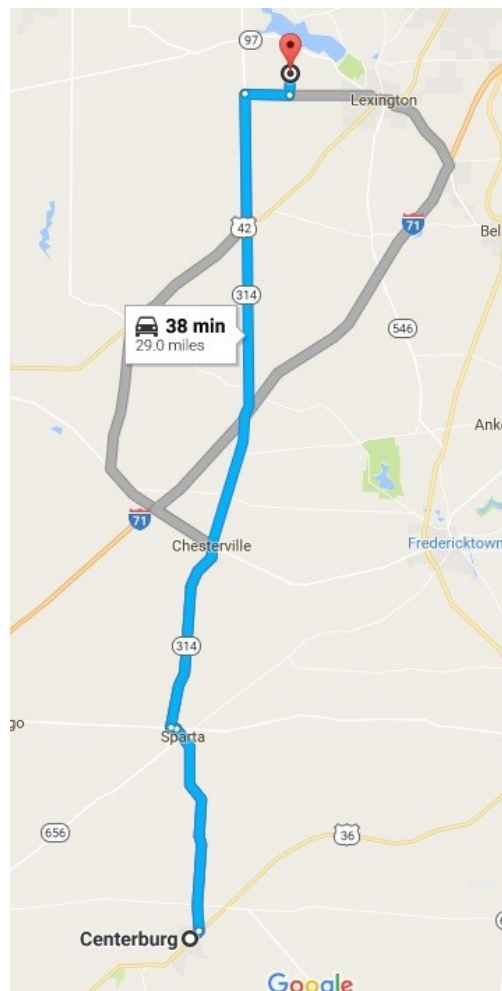

Riding Time: 3:30 - 4:15pm

Time at Destination: 4:15-5:00pm

Total Time: 3:30 – 5:00pm

Activities at Destination:

Craig Vetter is hoping to arrange a loop on the Racetrack! End of ride discussion. End of ride for electrics who are camped at raceway. Electric riders charge up and report energy use (NEMA 14-50 x 2, 110VAC x 4) All Electric riders will report Odometer readings and total from the wall energy usage to designated rider who will tally results and turn in the summary to Craig Vetter.

OPTION B: Proposed Vetter Challenge Ride for Saturday, July 8, 2017:

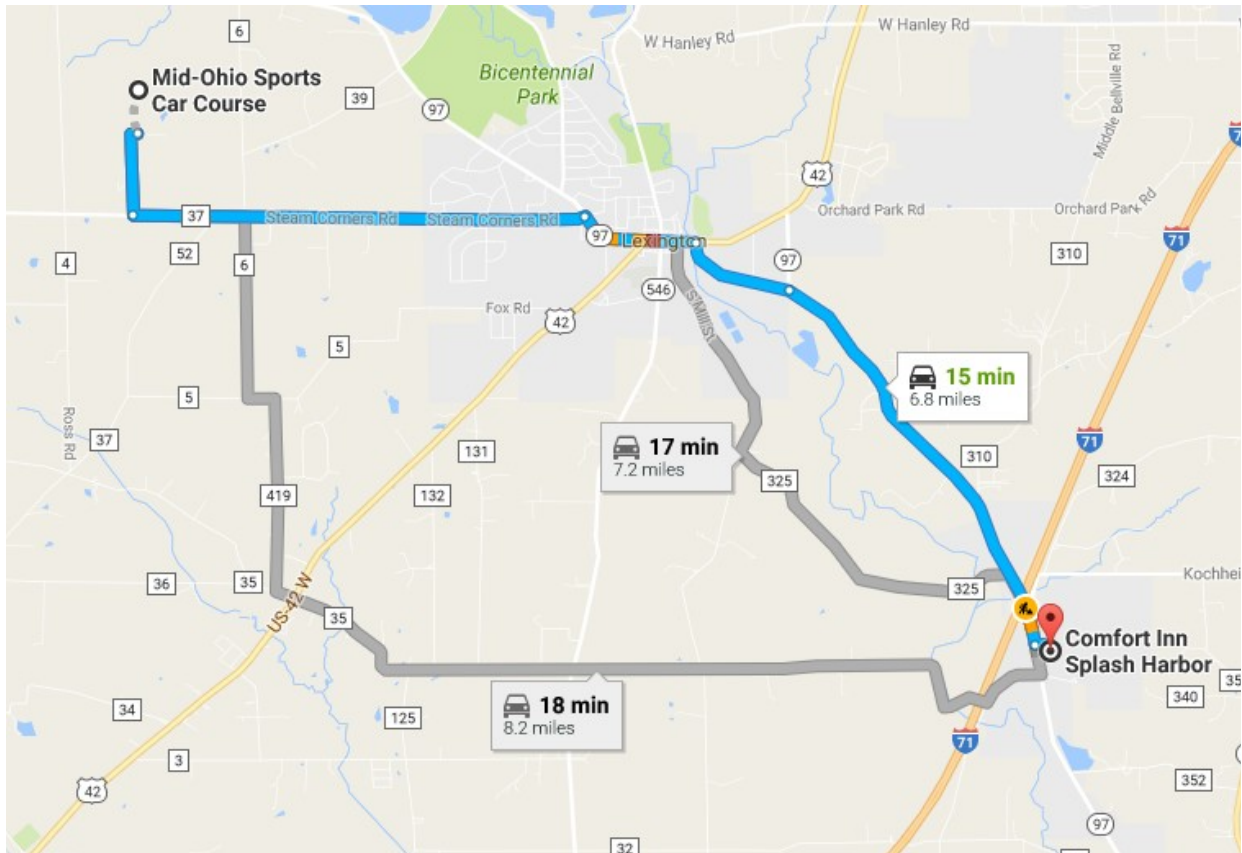

Ride Plan Revision 5/15/17

Afternoon Splash Harbor Staging: Liquid Fuel Bikes ride from Racetrack (8 Miles) to Splash Harbor to refuel Liquid Fuel Bikes. End of Ride for Liquid Fuel Bikes: gas bikes turn in fuel receipts.

Distance: 8 Miles (country or city – ride southern route to avoid the Lexington Traffic jam!)

Riding Time: 5:00-5:30pm

Activity at Destination: Liquid Fuel bikes top off at Adjacent Gas Stations and turn in fuel receipts with Odometer Readings to designated rider who will tally results and turn in summary to Craig Vetter.

Post Challenge Activity:

On Sunday, July 9, 2017, Craig Vetter will announce official results of the challenge ride during his scheduled talk at Vintage Motorcycle Days at the Mid-Ohio Raceway.

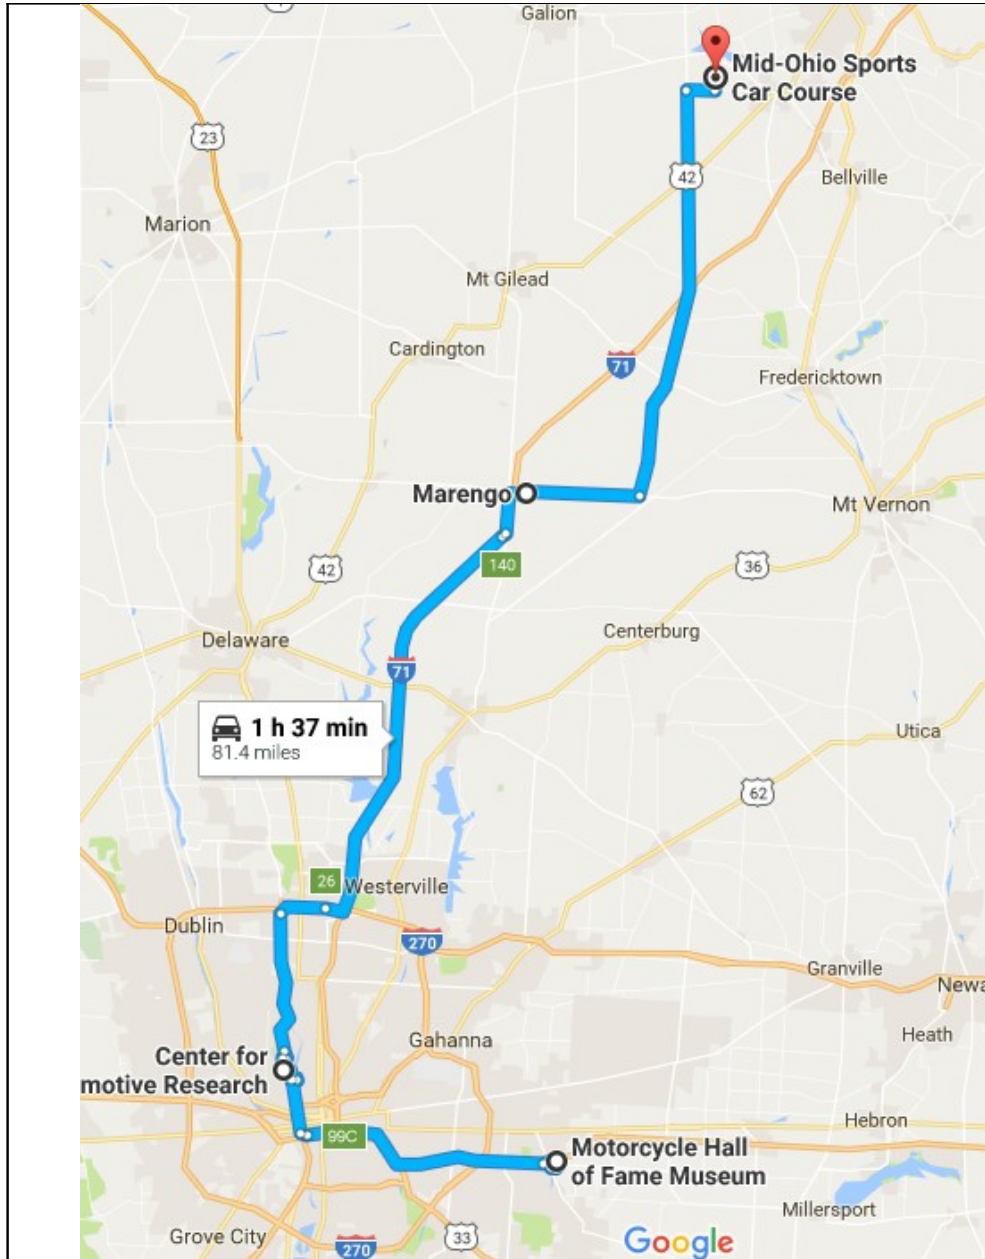

For up-to-date information about the ride, check www.SchultzEngineering.US or call Kraig Schultz at 616-540-7027
